Dear Bud, 11/19/74

A new Bankamericard bill came today. It includs a $12.00 (twelve) sharge for the period of our discovery trip. I do not and did not remember it so I checked the list I gave Carmen and it is not on it. It is an airline charge. While I don't recall it, I am certain I have done no personal flying in some years.

Best,
